## About Us

- ▶ BAZ Group is young and dynamic company, it has its wings spread out in the field of Engineering / Civil / Interior / Logistics / Medical / Sports and Entertainment. BAZ Training Academy is official Channel Partner of TATTI and through this aims at training the unskilled students and help them get placed.
- ▶ Training includes supplementary programs for Personality Development and Entrepreneurship to mould them into independent individuals ready to tackle any curveball their career throws at them.
- ▶ TATTI boasts of eminent trainers, educationalist's and industrial leaders on its team who offer their first-hand experiences along with interactive training.
- ▶ We also teach corporate survival skills they would require on a day to day basis, like communication and etiquette for interviews, meetings, onsite deployment, requirements of the domain they choose to pursue etc.,
- ▶ We go a step further to create awareness about alcohol and substance abuse and conduct workshops on self-discipline.
- ▶ Our goal is to help achieve 100% placement of students and give them all the tools they would need before they embark on their professional journey.
- ▶ TATTI's repertoire of clients includes the Tamil Nadu Police Department, ISRO, the Bombay Stock Exchange where we conducted training for the CSR project and numerous prestigious colleges across South India.

## DOMAIN BASED TRAINING

### 1. SOLAR TRAINING

TATTI's Solar Training is the best in South India and is widely regarded as our premium course. Solar Energy is quickly becoming the most popular renewable energy source which can be used at domestic level, unlike other sources like wind or hydropower which depend heavily on geography.

The Government of India has announced an additional annual generation of 174 GW through Renewable Energy Sources, of which Solar Photovoltaic generation alone has a target of 100 GW. This opens up a whole new channel of opportunities and job potential.

The courses available in the Solar Energy domain are:

- Solar PV Technician
- Solar PV Installer
- Solar PV Designer
- Solar PVGrid Engineer
- Solar PV Project Manager
- Solar PV Entrepreneur
